Upcoming Offerings:

April 6 AM - Harvest Outreach

Approximately 5000 needy persons in the Racine community are served by Harvest Outreach, a food distribution center. Volunteers from our congregation help distribute the food and complete the necessary paperwork. Food contributions are received from area churches and organizations as well as the government. You are always welcome to give monetary donations to Harvest Outreach using the wooden box near the Welcome Center.

April 6 PM - With Ministries (Formerly Friendship)

With Ministries was formerly known as All Belong and before that, Friendship Ministries. They are now an independent organization that seeks to build church communities where congregations are truly "with" people experiencing disability, churches where all people are given opportunities to serve, and lead, and worship alongside their peers in biblical community.

April 13 - Presbyterian Day School, Corozal Town, Belize

The PDS has been serving the Corozal district since 1976, providing a Christ-centered education to the local churches and to families in three neighboring communities. This past year the school enrollment has increased, despite having three public schools nearby. They need assistance in supporting a new teacher for 7th and 8th graders in English, social studies and health subject areas. Pam Vallejos taught at this school in the past, and the current principal is Pam and Moises Vallejos' nephew.
